Fabricación de aditivos alimentarios con certificación Halal. Portrait Vitatene is a company located in León (Spain) belonging to P&R Group. Antibioticos 100 years knowledge in fermentation process led in 2003 to the start up of a new dedicated plant to produce carotenoids in an innovative way. Thanks to this strong know-how, Vitatene succeeded in building up a unique technology which enables it to obtain 100% natural carotenoids, formulated in 100% vegetal matrix.
