

Vigilia interreligiosa por las víctimas de Munbay

07/03/2009 - Autor: Rachel Geizhals - Fuente: Blog de Rachel Geizhals

This interfaith vigil was held on Monday near the Indian mission in Manhattan, in wake of last Wednesday's terrorist attacks in Mumbai. The attacks killed close to 200 people, six of whom were Jews. They were in the city's Chabad building - a Jewish community and outreach center - when the attacks took place.
